Good afternoon.

I received an email from Endow Manitoba this afternoon expressing your concern about your donation not making it to our office during the Giving Challenge Week and they have asked us to now include it in the total donated during the campaign, so I am happy to report that we have sent in an adjustment to include your donation and during that week our total donations are now \$74,146.59.

Hope you have a great day!

Kimberly Lavallee  
Executive Director
